CONNECT. INSPIRE. SUPPORT.

A Letter from Leadership

If we had to describe this past year in one word, it would be “transformational.”

Since opening our Palm Harbor location in April 2022, we have served nearly 1,000 women and families, hosted 200+ workshops & events, and trained 20 EntrepreneurHERs to jump-start their businesses. We almost doubled our impact from our Clearwater Center alone in 2021. But our work is far from over.

Every day, our Members tell us that EmpowHERment feels like home. We offer a comfortable, safe space for women to connect, learn, and RISE. They come to this space for therapy, working remotely, yoga, arts and crafts, networking, career counseling, and even just as a place to relax.

With your support, we can maintain and improve our Community Center spaces and offerings, ensuring they remain safe, welcoming, and functional for our community of women.
