## ***The Event.***

As the sun sets over Clearwater Bay, we invite you to join us for An Evening in Black - a sophisticated sunset soirée where elegance meets purpose. Together, we'll celebrate the women whose lives have been transformed through EmpowHERment while investing in a future where every woman has the opportunity to thrive. More than a gala, this is an evening of impact, connection, and hope.

**Attire:** The theme is Sunset Soirée, but don't stress about a dress code! You can wear black, embrace the sunset vibes with colorful cocktail attire, or simply wear whatever makes you feel comfortable and confident.

We'll be celebrating at the beautiful Clearwater Marine Aquarium overlooking the water, so beach-inspired, breezy, or dressy are all welcome. The goal is to enjoy a great evening together—not worry about what you're wearing!

## ***EmpowHERment***

EmpowHERment in Clearwater is a community-driven initiative dedicated to uplifting and supporting women through education, mentorship, and personal development opportunities. The program focuses on building confidence, leadership skills, and a strong sense of self-worth among participants. Through workshops, networking events, and community outreach, EmpowHERment encourages women to share their stories, develop their talents, and pursue both personal and professional goals in a supportive environment.

In addition to fostering individual growth, EmpowHERment strengthens the broader community by connecting participants with local leaders, entrepreneurs, and mentors. These relationships help create pathways for career development, entrepreneurship, and civic engagement throughout the Tampa Bay region. By emphasizing collaboration, empowerment, and resilience, EmpowHERment continues to inspire women in Clearwater to lift each other up and contribute positively to their families, workplaces, and neighborhoods.
