The HER Brunch is an annual gathering created to celebrate the women who shape our community in visible and quiet ways alike. We honor women whose achievements aren't defined by a single title, but by the lives they've built, the challenges they've overcome, and the way they show up for others.

AN INTENTIONAL GATHERING OF WOMEN

CALLING *all the* THRIVER'S

We honor women whose achievements aren't defined by a single title—but by the lives they've built, the challenges they've overcome, and the way they show up for others. These are women who lead in boardrooms and around kitchen tables, who build businesses and build families, who pursue purpose while holding space for care, creativity, and growth.

At HER Brunch, we gather as Thrivers—women who have carved their own paths and now turn around to light the way for others. Some lead companies or organizations, some nurture households and generations, and many do both. All contribute meaningfully to the fabric of our community.

Join us for an inspiring afternoon of:

- Meaningful conversations
- Thoughtful recognition and awards
- Curated auction items and raffles
- A beautiful shared experience over a delicious brunch and mimosa.
