# THE ROARING HER GALA

FROM HUSH TO ROAR—  
HER VOICE LEADS THE WAY

November 15, 2025

Hilton St Pete Carillon

We have been quiet long enough.

It is time to turn up the volume on the movement that has already begun reshaping lives. EmpowHERment has been making powerful waves throughout our community and beyond, standing as a beacon for women navigating dark places - and bringing light, hope, and transformation into those spaces.

We are not just a moment - we are a mission. A movement.

EmpowHERment exists to uplift and equip women with the tools, resources, and support they need to not only survive, but thrive.

From healing spaces and educational workshops to leadership development and wellness experiences, our all-encompassing offerings empower women to grow from the inside out.

And when women rise, entire communities, legacies, and generations rise with them.

That's why we invite you to partner with us for the EmpowHERment HER Gala, an evening dedicated to celebrating strength, spotlighting stories of transformation, and rallying support for the continued empowerment of women across all walks of life.

This isn't just a gala. It's a call to action. An invitation to hear HER roar—and to answer with your support.

Will you join us in creating change that echoes through generations?

Ambee Stephens, MNM  
Founder & CEO

## HER STORY

HER story began as a deeply personal journey - but it has since become a collective one. At EmpowHERment, we believe in the power of shared experiences to illuminate even the darkest places. What started as one woman's response to adversity has grown into a movement grounded in resilience, purpose, and community.

Today, EmpowHERment serves as a catalyst for transformation, providing women with the tools, support, and space they need to thrive. Through tailored programs, workshops, and holistic services, we meet women where they are - helping them realize their potential and rewrite their narratives.

HER story has become OUR story - a story of strength, solidarity, and rising together. Each woman who walks through our doors adds a new thread to the tapestry. Together, we shine brighter. Together, we thrive.

## HER GOALS

- Offer **500+ hours of free workshops and support groups** each month
- Provide **1,000+ hours of no-cost therapy** annually to women in need
